FACTORY BUY!

LB HEAVY DUTY LEVER HOIST

Smaller, lighter, and stronger than conventional lever hoists, the L5LB delivers industry-leading durability and dependable performance—even in extreme temperatures down to -40°C.

Patented Hardening Process

Precision heat-treated for superior strength, durability, and reliable performance in tough environments.

Failsafe Freewheel System

Engineered for safety, the two-step freewheel system delivers superior load control while eliminating the risk of accidental free chaining.

Structural Steel Side Plates

Heat-treated side plates deliver exceptional rigidity and durability, protecting the load chain from wear while maintaining peak performance and extending hoist service life.

Safety Tip Hook and Latch

Reinforced steel hook latch resists impact damage, enhancing reliability, reducing downtime, and keeping your hoist working longer.

State-Of-The-Art Chain Technology

Renowned for strength and performance, Kito's Grade 100 load chain features a compact link design that enhances wear resistance, increases tensile strength, and delivers exceptional durability with reduced weight.
